

Beneficiary Dental Exception (BDE) June 2013 Reporting

Background:

Assembly Bill 1467 was enacted July 1, 2012 to improve access to oral health and dental care services provided to Medi-Cal beneficiaries enrolled in dental managed care plans in Sacramento County. The intent of the Legislature through the statute was to improve access to dental care by implementation of the Beneficiary Dental Exception (BDE) process. The BDE is available to Medi-Cal dental managed care beneficiaries in Sacramento County who are unable to secure access to services through their dental plan, in accordance with applicable contractual timeframes and the Knox-Keene Health Service Plan Act of 1975 (Chapter 2.2 (commencing with Section 1340) of Division 2 of the Health and Safety Code).

The BDE shall allow a beneficiary to request to opt-out of Medi-Cal dental managed care and move into fee-for-service (Denti-Cal) where the beneficiary may select his or her own dental provider on an ongoing basis. The statute allows for the Department of Health Care Services staff to work with the dental managed care plan to schedule an appropriate appointment within specified time frames, based on the identified needs of the beneficiary. If no such appointment is secured, the beneficiary will be transferred into Denti-Cal where he/she will remain until such time that he/she chooses to opt back into a dental managed care arrangement.

The BDE Process:

- If the BDE is submitted by mail/fax/email a Dental Managed Care (DMC) staff will contact the beneficiary within three (3) business days to work with the beneficiary and the dental plan/provider to schedule an appointment within the applicable timeframes.
- If the beneficiary does not respond from the first initial contact they are contacted two additional times before a letter is sent to notify the closing of the BDE and for them to contact DMC to re-file.
- If the BDE is submitted by the phone the DMC BDE Toll-Free Line Representative will assist, through a conference call, to resolve/set an appointment with the member and provider/plan within the appropriate timeframes.
- Appointments are scheduled through a conference call with the DMC BDE Toll-Free Line Representative, the beneficiary, and the dental plan/provider to ensure the appropriate timeframes are met and to follow-up with any questions or concerns including any additional details. Any other additional issues are resolved during the call as well.
- When an appointment is scheduled, the BDE will be placed on hold pending follow-up calls from DMC to the member after the appointment. If the appointment was successful and no additional access issues were identified the BDE will be closed, indicating no further action is needed.
- If the beneficiary no-shows, DMC will follow-up with a phone call to establish a new appointment. If the beneficiary has two (2) no-shows the BDE will be closed and the member will remain with their dental plan.
- Please note: All "In Progress" cases are case managed until BDE case is closed.
