1.1 Purpose

This is a user guide for the Denti-Cal Provider Website Application.

2 Denti-Cal’s Provider Website Landing Home Page

Denti-Cal’s landing home page for providers has a secure log in for providers to register online. Every provider will have a unique account that will allow them to access multiple practice locations. The features on the landing home page are listed below (see Fig: 2.a).

- Username and Password field for Secure Log In
- Register Link
- Reset Password Link
- Username Reminder

Provider Website Landing Home Page:

![Fig: 2.a: Denti-Cal’s Provider Website Landing Home Page]
3 Registration on Provider Portal

Denti-Cal providers can register themselves by clicking the “Register” link available on the Denti-Cal Provider Website Landing page. The first provider who registers for a particular Business Entity (Provider ID) will be assigned as an Administrator, by default, and will have special Administrator rights. Additional providers who register using the same Business Entity (Provider ID) will be “regular users” of the provider website and will be granted limited access.

3.1 Steps for Registration: Positive Scenario

Step 1:
Click the “Register” link (see Fig: 3.1.a).

![Register Link](image)

Fig: 3.1.a: Denti-Cal’s Provider Website Login Page – Registration Link
