To check status and resolve a late or missing Healthcare EFT Standards payment, please contact the Medi-Cal Dental TSC at (800) 423-0507. Late or missing is defined as a maximum elapsed time of four business days following the receipt of the associated v5010X12 835 transaction. Providers can request a receipt of the information provided in the Corporate Credit or Debit Entry (CCD)+ addenda record of EFT transactions from their financial institutions. This addenda record includes the Medi-Cal Dental assigned check number and the Medi-Cal Dental Tax ID number. Providers can then use this information to reconcile EFT payments with their X12 835 Electronic Data Interchange (EDI) transactions.

To maximize the benefits available through the CAQH CORE Reassociation Rule, providers must reach out to their financial institution and request that the necessary data for reassociation of an EFT and Electronic Remittance Advice (ERA) be sent with each payment. Providers may use the sample letter below as a template that can be customized and provided to bank contacts. For assistance in completing the Electronic Remittance Advice (ERA) Enrollment form, please contact Medi-Cal Dental EDI Support at (916) 853-7373 (e-mail: Medi-CalDentalEDI@delta.org).
