New Adjudication Reason Code 071

The Medi-Cal Dental Program has implemented new Adjudication Reason Code (ARC) 071. ARC 071 will be used to deny an intravenous (IV) sedation or general anesthesia (GA) request for prior authorization on a Treatment Authorization Request (TAR).

ARC 071 reads as follows:

- 071** Intravenous Sedation or General Anesthesia is not deemed medically necessary based on the treatment plan and/or documentation submitted. Please submit additional documentation to justify the medical necessity for IV Sedation/GA or attempt treatment under a less profound sedation modality.

For answers to questions regarding new ARC 071, please refer to the [Provider Handbook](#) on the Denti-Cal website <https://www.denti-cal.ca.gov/>. For further questions, please call the Telephone Service Center at (800) 423-0507.
