## VeriFone VX 520 Point of Service (POS) Device Decommissioned July 2018

In July 2018, the VeriFone VX 520 Point of Service (POS) device was decommissioned. After September 27, 2018, the VeriFone VX 520 POS device will no longer be active and providers will receive an error message. A final notification letter was mailed to providers on September 12, 2018 with the instructions below on how to return the device.

The VeriFone VX 520 POS device must be returned to the Department of Health Care Services (DHCS) within 30 days of receiving the final notification letter

**Please note:** If you are an active provider, you have default access to the Automated Eligibility Verification System.
