Attention: Medi-Cal Dental to Send Multiple 1099s for 2018

Medi-Cal Dental providers may receive more 1099s than usual for the 2018 calendar due to the January 2018 Medi-Cal Dental service transition. In previous years, providers could receive up to five 1099s from the Medi-Cal Dental Program: one for claim payments, three for Dental Transformation Initiative (DTI) payments, and one for providers who are also Clinical Screeners.

Due to the Medi-Cal Dental transition, Delta Dental of California now provides dental administrative services as the Administrative Services Organization (ASO) and DXC Technology (DXC) manages the claims processing system, payments, and incoming and outgoing mail services as the Fiscal Intermediary (FI). Delta Dental issued provider payments for the period of January 1, 2018 through February 2, 2018; therefore, providers will receive 1099s from Delta Dental for this specific period. DXC began issuing provider payments after February 2, 2018; therefore, providers will receive 1099s from DXC for the remainder of 2018.

Providers can expect to receive up to nine 1099s for 2018, and in future years, the number of 1099s should return to a maximum of five.

Please check the Medi-Cal Dental website www.denti-cal.ca.gov regularly for the latest Medi-Cal Dental updates. For questions regarding the 1099s, please call the Telephone Service Center at (800) 423-0507.
