Provider Application and Validation Enrollment Portal Second Demonstration

The Department of Health Care Services (DHCS) is pleased to announce the second demonstration in the two-part series, Introduction to PAVE for Dental Providers, which will be held on October 12, 2022, from 10:00 am to 11:00 am. The online demonstration, Basic Functions in PAVE, will further demonstrate how to complete an application in PAVE, access accounts, and communicate with the Department.

DHCS has enhanced the Provider Application and Validation for Enrollment (PAVE) portal to simplify and accelerate the Medi-Cal enrollment processes for dental providers.

As of October 31, 2022, dental providers will be able to **electronically** submit enrollment applications and required documentation to DHCS through PAVE. Paper applications will no longer be accepted upon implementation of the PAVE system.
