Rush Orders

Providers should only request a rush order when their current stock of Denti-Cal inventory has been damaged or destroyed in a catastrophic event (e.g. fire, flood, etc.). To place a rush order for Denti-Cal inventory, providers need to call the Denti-Cal Telephone Service Center at (800) 423-0507. **Writing “Rush” on an order form will not trigger a rush order.**

Please see bulletin Volume 25, #27 “Ordering Denti-Cal Inventory” for additional ordering information.

Do Not Re-use Denti-Cal Envelopes

Denti-Cal X-Ray envelopes (e.g. DC-214A and DC-214B) are designed to be used only once. Do not re-use previously submitted X-Ray envelopes as they contain a bar code associated with previously processed documents. Re-using X-Ray envelopes will cause processing delays.

For questions, please contact the Denti-Cal Telephone Service Center at (800) 423-0507.
