## **Section 3 - Enrollment Requirements**

To receive payment for dental services rendered to Medi-Cal members, prospective providers must apply and be approved by Medi-Cal Dental to participate in Medi-Cal Dental. When a provider is enrolled in Medi-Cal Dental, Medi-Cal Dental sends the provider a letter confirming the provider's enrollment effective date. Medi-Cal Dental will not pay for services until the provider is actively enrolled in Medi-Cal Dental.

On October 31, 2022, DHCS implemented the <u>Provider Application and Validation for Enrollment (PAVE) Provider Portal</u> to simplify and accelerate Medi-Cal enrollment processes for dental providers. The PAVE portal is a web-based application that allows dental providers to submit enrollment applications and required documentation to DHCS electronically.

#### Note: DHCS no longer accepts paper applications.

The Medi-Cal Provider e-Form Application complies with current state and federal regulatory and statutory requirements. All dental providers must use PAVE e-forms to enroll in Medi-Cal, report changes to current enrollments, and complete revalidation or continued enrollment for individual, group, and rendering provider types.

The easy-to-use, intuitive PAVE portal streamlines the enrollment process by offering:

- Secure login
- Document uploading
- Electronic signatures
- Application progress tracking
- Social collaboration

For assistance with the application process, practitioners may contact the Provider Enrollment Division (PED):

Visit the <u>PED web page</u> and select the Inquiry Form link under "Provider Resources" for the PED Online Inquiry Form.

For PAVE technical support, please call the PAVE Help Desk at (866) 252-1949. The Help Desk is available Monday-Friday from 8:00am-6:00pm, excluding State holidays. You can also use the PAVE Chat feature while in PAVE. Chat is available Monday-Friday from 8:00am-4:00pm, excluding State holidays.

## **Rendering Provider Enrollment Process**

In accordance with the California Code of Regulations (CCR), Title 22, §51000.31(b), rendering providers must apply to Medi-Cal Dental by submitting an application. Medi-Cal Dental will not pay for services until the provider is actively enrolled in Medi-Cal Dental.

In order to enroll in Medi-Cal, providers must submit an e-Form application using the <u>Provider Application and Validation for Enrollment (PAVE) Provider Portal</u> which is an improved webbased alternative to the former paper application enrollment process.

For assistance with the application process, practitioners may contact the Provider Enrollment Division (PED) by visiting the <u>PED web page</u> then select the Inquiry Form link under "Provider Resources" for the PED Online Inquiry Form.

Rendering providers must provide a National Provider Identifier (NPI). To obtain an NPI, visit the CMS website here.

Any modification to a rendering or billing provider's information (such as a change in address or ownership) requires Medi-Cal dental notification within 35 days of the change.

Applicants who are natural persons licensed or certificated under the Business and Professions Code or the Osteopathic or Chiropractic Initiative Acts to provide health care services, or who are professional corporations under subdivision (b) of Section 13401 of the Corporations Code, must enroll in Medi-Cal Dental as either individual providers or as rendering providers in a provider group. This is true even if the person or the professional corporation meets the requirements to qualify as exempt from clinic licensure under subdivision (a) or (m) of Section 1206 of the Health and Safety Code (see W&I Code Section 14043.15(b)(1)).

W&I Code Section 14043.26(a)(1) requires a prospective provider not currently enrolled in Medi-Cal Dental or a provider applying for continued enrollment to complete and submit an application for enrollment, continued enrollment, or enrollment at a new location or a change in location.

#### **Tax Identification Number**

## Verify Your Tax Identification Number (TIN)

Medi-Cal Dental reports annually to the Internal Revenue Service (IRS) the amount paid to each enrolled billing provider. The legal name and TIN must match exactly with the name and TIN on file with the IRS. TINs may be either a Social Security Number (SSN) or an employer identification number (EIN), which are printed on the front of the check and on the Explanation of Benefits (EOB). Please verify that the legal name and TIN on the next check/EOB are correct. If the legal name and TIN do not match, the IRS requires Medi-Cal Dental to withhold 28% of future payments.

Providers do not need to notify Medi-Cal Dental if the legal name and/or TIN appearing on the Medi-Cal Dental check/EOB are correct. In order to update your TIN and/or legal name, providers must submit an e-Form application using the <a href="Provider Application and Validation for Enrollment">Provider Provider Portal</a>.

#### **Inactivated Providers**

To remain actively enrolled in Medi-Cal Dental, providers must comply with all enrollment requirements.

Medi-Cal dental providers may automatically be inactivated from Medi-Cal Dental if any of the following occurs:

- Dental license is expired, revoked, inactivated, denied renewal, or suspended by the Dental Board of California;
- Mail is returned by the post office marked "Undeliverable" due to incorrect address;
- Twelve months with no claim activity in the Medi-Cal Dental program.

Participating Medi-Cal dental providers are required to keep Medi-Cal dental records up to date by promptly reporting any changes to previously submitted information, e.g. name and address changes, the addition of associates or the sale of a practice within 35 days.

Providers who have had no claim activity in six months will be sent a letter stating they shall be deactivated unless providers submit a claim or request to remain active within six-months after the date of the notice. A provider who has not submitted a claim for reimbursement over a continuous 12-month period shall be deactivated per Welfare and Institutions Code Section 14149.8(b)(2) and 14043.62 which reads as follows:

The department shall maintain the provider network on a monthly basis by deactivating a billing provider who has not, over a continuous 12-month period, submitted a claim for reimbursement for services rendered.

Prior to deactivating a provider, the department shall send a notice to the provider informing the provider that the provider shall be deactivated from the Medi-Cal program unless the provider requests reactivation within six months after the date of the notice. The department shall not disenroll a provider until six months after the date of that notice.

The department shall deactivate, immediately and without prior notice, the provider numbers used by a provider to obtain reimbursement from the Medi-Cal program when warrants or documents mailed to a provider's mailing address or pay-to address, if any, or its service or business address, are returned by the United States Postal Service as not deliverable or when a provider has not submitted a claim for reimbursement from the Medi-Cal program for one year. Prior to taking this action the department shall use due diligence in attempting to contact the provider at its last known telephone number and ascertain if the return by the United States Postal Service is by mistake or shall use due diligence in

attempting to contact the provider by telephone or in writing to ascertain whether the provider wishes to continue to participate in the Medi-Cal program. If deactivation pursuant to this section occurs, the provider shall meet the requirements for reapplication as specified in this article or the regulations adopted thereunder.

After inactivation, providers will be required to re-apply to Medi-Cal to serve Medi-Cal members. In order to enroll in Medi-Cal, providers must submit an e-Form application using the <a href="Provider Application">Provider Application and Validation for Enrollment (PAVE) Provider Portal</a>.

## Voluntary Termination of Provider Participation

Providers may terminate their participation in the Medi-Cal program at any time. Written notification from the provider of voluntary termination can be submitted to PED by submitting an e-Form application via the Provider Application and Validation for Enrollment (PAVE) Provider Portal.

## **Electronic Data Interchange (EDI)**

To submit documents and receive corresponding reports electronically, dentists who have enrolled and are certified to participate in Medi-Cal Dental must apply and be approved by Medi-Cal Dental to participate in the EDI program. The Medi-Cal Dental Telecommunications Provider and Biller Application/Agreement (for electronic claim submission), hereinafter "Trading Partner Agreement," must be signed and submitted along with the Provider Service Office Electronic Data Interchange Option Selection Form. Failure or refusal to sign this Agreement may be grounds for immediate suspension from participation in the electronic claims submission program pursuant to Title 22, California Code of Regulations (CCR) §51502.1(j). This Agreement is also required for EDI clearinghouses and billing intermediaries billing electronically on behalf of Medi-Cal dental providers. Providers can also authorize Medi-Cal Dental to provide remittance data electronically by completing the Electronic Remittance Advice (ERA) Enrollment Form.

When a provider is enrolled in the Medi-Cal Dental EDI program, Medi-Cal Dental sends the provider a letter confirming the provider's EDI enrollment. Confirmation is also sent by email if a valid email address is available.

"Section 6: Forms" of this Handbook gives instructions for completing all required billing forms. Medi-Cal Dental's Electronic Data Interchange (EDI) service gives participating providers the option of submitting many of these completed treatment forms electronically to Medi-Ca Dental and receiving related information electronically.

#### **HIPAA-Compliant Electronic Format Only**

Medi-Cal Dental accepts only the HIPAA-compliant electronic format for claims (ASC X12N 837) and claim status (ASC X12N 276) from certified trading partners. A provider submitting claims electronically is required to undergo certification for the HIPAA-compliant format. However, if a provider is submitting claims electronically through its contracted clearinghouse, only the clearinghouse must be certified. In this case, a provider must ensure that its contracting clearinghouse has been certified through Medi-Cal Dental, prior to submitting claims.

A copy of the HIPAA Transaction Standard Companion Guide (Medi-Cal Dental EDI Companion Guide), as well as an EDI Enrollment Packet, can be obtained by contacting the Telephone Service Center toll-free at (800) 423-0507 or (916) 853-7373 and asking for EDI Support. Requests may also be sent by email to <a href="Medi-CalDentalEDI@delta.org">Medi-CalDentalEDI@delta.org</a>. Providers may also access EDI enrollment forms and guides from the Medi-Cal Dental website <a href="mediated-here">here</a>.

#### **Ineligibility for EDI**

A Medi-Cal dental provider is not eligible for EDI if, within the past three years, criminal charges were filed against the provider for fraudulently billing the Medi-Cal program, or if the provider has been suspended from the Medi-Cal program, or has been required to pay recovery to Medi-Cal for overpayments in excess of 10 percent of the provider's total annual Medi-Cal income.

If a Medi-Cal dental provider has been placed on Prior Authorization (PA) and/or Special Claims Review (SCR), submitting electronically is still possible. Providers must flag the radiograph or the attachment indicator to "Y" (Yes) for procedures on PA and/or SCR to avoid the claim from being denied.

#### Sample Electronic Remittance Advice (ERA) Enrollment Form

# Electronic Claims Submission and Payment Services

Submitting claims electronically reduces processing time for claims, makes billing and tracking documents easier, and helps maximize computer capabilities. EDI-enrolled providers can also receive the Notice of Authorization (NOA) and Resubmission Turnaround Document (RTD) forms electronically along with other EDI reports.

For an EDI Enrollment Packet, please contact the Telephone Service Center at (800) 423-0507. For an EDI How-To Guide or other information on submitting Medi-Cal Dental claims and Treatment Authorization Requests (TARs) electronically, please call EDI Support at (916) 853-7373. Requests may also be sent by email to <a href="Medi-CalDentalEDI@delta.org">Medi-CalDentalEDI@delta.org</a>. Providers may also access EDI enrollment forms and Guides from the Medi-Cal Dental website here.

A dental office wishing to use EDI must have a computer system that includes an internet connection and a software program that will allow the transmission of claims. If the office already has a computer, check with the practice management system vendor to determine if the software will enable submitting of claims electronically to Medi-Cal Dental. The software vendor can also assist in determining the best computer hardware and software options for electronic claims processing needs.

Providers enrolled to submit electronically have the option of submitting documents on paper at their discretion.

EDI enrollment allows providers to send TARs, claims and NOAs for payment, through File Transfer Protocol (FTP) directly from the office to Medi-Cal Dental, or through a billing intermediary or clearinghouse. EDI gives providers the option of receiving claims-related information electronically from Medi-Cal Dental, such as reports, Explanation of Benefits (EOBs) and Electronic Remittance Advice (ERA) data for performing automated accounts receivable reconciliation.

EDI Providers who receive the 835 Electronic Remittance Advice (ERA) and/or Supplemental EOB file in Detail format may opt to discontinue receiving paper EOBs. To stop receiving paper EOBs, providers enrolled to submit electronically must complete and submit the Provider Service Office Electronic Data Interchange Option Selection form reflecting that option. The decision to not receive a paper EOB will not affect the mailing of a provider's checks.

The EDI system format also allows the electronic submission of comments which may be pertinent to the treatment requested or provided. Medi-Cal Dental provides identification labels and specially marked envelopes for mailing additional information (such as radiographs or other documentation) which may be required to process electronically submitted treatment forms.

Providers who submit directly to Medi-Cal Dental are limited to five (5) EDI file submissions per day. Additional files will be rejected, and providers will need to resubmit. There are no limitations on the number of documents contained in each file.

Use red-bordered EDI envelopes and EDI labels only when Medi-Cal Dental requests them through the "X-Ray/Attachment Request" report (CP-O-971-P).

Use green-bordered envelopes when submitting claims, NOAs and RTDs (conventional paper forms) or those made available electronically that are printed onto paper and mailed in for processing as well as Claim Inquiry Forms (CIFs). No EDI labels on EDI RTDs or NOAs, please.

#### What Can Be Sent Electronically to Medi-Cal Dental

The following items can be transmitted electronically:

- Claims,
- TARs,
- NOAs for payment when treatment is completed (if the system or clearinghouse can accept them; only selected software and clearinghouses include the EDI NOA feature).
- Radiographs,
- Justification of Need for Prosthesis Forms (DC054), and
- Narrative documentation (surgical reports, etc.).

The following items **cannot** be transmitted electronically and **must** be mailed to Medi-Cal Dental:

- Orthodontic treatment plans, however, diagnostic services associated with orthodontic treatment can be submitted electronically
- Completed RTDs (even those provided electronically that are printed on paper),
- NOAs (if the provider's system cannot submit them electronically),
- Requests for reevaluation,
- NOAs issued for paper documents,
- CIFs or RTDs issued for paper or EDI documents, and/or
- Any documentation related to claims and TARs submitted on paper.

Within 24 to 48 hours after sending documents electronically, Medi-Cal Dental provides an acknowledgement report to confirm receipt of claims and TARs (CP-O-973-P: Daily EDI Documents Received Today). Another report (CP-O-971-P: X-Ray/Attachment Request) is issued the same day the acknowledgement report is issued if documentation is needed.

It is important to review these reports to verify submitted forms and documentation are being received by Medi-Cal Dental. If these reports are not being received, check with your vendor,

#### **Sending Radiographs and Attachments**

Providers should maintain a supply of EDI labels and envelopes (small and large X-ray envelopes, and mailing envelopes) which are printed in red ink. When entering the document into the practice management system, determine whether radiographs or documentation are needed. If so, prepare EDI labels and envelopes:

Insert the radiographs into a small (DC-014F) or large (DC-014E) EDI x-ray envelope:

- Affix a blank EDI label onto the outside of the x-ray envelope in the outlined box
- Staple any necessary documentation, such as a Justification of Need for Prosthesis form (DC054), onto the outside of the EDI x-ray envelope
- Write the member's name on the inside of the envelope flap to help you identify who the radiographs belong to

Upon receipt of the X-ray/Attachment Request report (CP-O-971-P), on an EDI label, write:

- The Provider's Billing NPI next to "Medi-Cal dental provider ID"
- The 11-digit Base DCN (Document Control Number) next to "Medi-Cal Dental DCN"
- The member's name next to "Patient MEDS ID"
- The Provider's name and address under the shaded area. Leave the shaded area blank.

Mail several large and small EDI x-ray envelopes to Medi-Cal Dental in the large EDI mailing envelope marked with the special EDI post office box (DC-006C).

EDI Labels can be ordered in three formats:

- Laser (blank or preimprinted with the Provider's name, address, and Billing NPI)
- 1-up continuous
- 3-up continuous

Attachments, such as claims information, transmitted electronically to Medi-Cal Dental are delivered to Medi-Cal Dental's computer system for processing. Medi-Cal dental providers may use EDI to submit treatment forms and receive reports and other electronic data 24 hours per day Monday through Sunday except for 10 p.m. to 2 a.m. (Pacific Time). Electronic documents received at Medi-Cal Dental by 6:00 p.m. (Pacific Time) Monday through Saturday (holidays excluded) are entered into EDI processing the same evening. Staff are also available to answer EDI-related questions and assist with any problems an office may be experiencing with

electronic claims transmission Monday through Friday during normal work hours.

#### <u>Digitized Images and EDI Documents</u>

In conjunction with electronically submitted documents, Medi-Cal Dental accepts digitized images submitted through electronic attachment vendors: Change Healthcare, DentalXChange, National Electronic Attachment, Inc. (NEA), National Information Services (NIS) and Vyne.

Providers must be enrolled to submit documents electronically prior to submitting digitized images. For more information regarding digitized images and EDI enrollment, please contact:

• Telephone Service Center toll-free: (800) 423-0507

• EDI Support: (916) 853-7373

Email: <u>Medi-CalDentalEDI@delta.org</u>

## **Digitized Imaging Vendor and Document Specifications**

Digitized radiographs, photographs, scanned State-approved Justification of Need for Prosthesis forms (DC054), and other narrative reports may be submitted in conjunction with EDI claims and TARs through Change Healthcare, DentalXChange, NEA, NIS or Vyne websites.

- Change Healthcare Users: Create the claim or TAR before transmitting a document electronically. Upload any radiographs/photographs and attachments associated with the claim or TAR being submitted. Each attachment must include the date the images were created. For additional information, providers can contact their practice management system vendor, or visit Change Healthcare's ON24/7 support portal and open an ON24/7 service request on their website.
- DentalXChange Users: Send the claim or TAR to DentalXChange. The document will automatically validate according to Medi-Cal Dental requirements to determine if an attachment is needed. Add radiographs, narratives, Justification of Need for Prosthesis forms (DC-054), and other attachments in the DentalXChange ClaimConnect interface. The DXC Attachment ID will automatically be delivered to Medi-Cal Dental when the claim or TAR is sent. For additional information providers may visit the <u>DentalXChange website</u> or call (800) 576-6412 Ext 455.
- NEA Users: Digitized radiographs and attachments must be transmitted to NEA before submitting an EDI document. NEA's reference number must be entered on the EDI claim or TAR in the following format: "NEA#" followed by the reference number, with no spaces - Example: NEA#9999999. It is important to use this format and sequence.
  - Some dental practice management and electronic claims clearinghouse software have an interface with NEA that automatically enters the reference number into the notes of

- the claim. For additional information, providers can visit the <u>NEA website</u> or call (800) 782-5150.
- NIS Users: The EDI document should be created. Before transmitting a document electronically, the digitized radiographs and attachments should be attached. The Document Center should be used to scan images of Medi-Cal Dental's Justification of Need for Prosthesis Form (DC054), photos, etc. The date images were created should be entered in the notes for each attachment. For additional information, providers can call (800) 734-5561 or visit any of the following NIS websites based on their software version:
  - o www.dentrix.com
  - o www.easydental.com
  - o www.dentrixenterprise.com
  - o <u>www.dentrixascend.com</u>
- **Vyne Users**: Create the claim or TAR. Before transmitting a document electronically, the digitized images should be created and attached. Each attachment must include the date the images were created. For additional information, providers can visit the <a href="Vyne">Vyne</a> <a href="Website">website</a> or call (463) 218-6762.

#### Please note:

- Images should not be transmitted for EDI claims or TARs that are already waiting for radiographs and/or attachments to be mailed.
- Digitized images of Claim Inquiry Forms (CIFs), Resubmission Turnaround Documents (RTDs) and Notices of Authorization (NOAs) or digitized images related to paper documents cannot be processed.
- When submitting CIFs by mail, providers have the option of not submitting hard copies of radiographs and other documentation related to a CIF if the provider indicates digitized image reference numbers in the form's remarks box. If a provider chooses not to include digitized image reference numbers on a CIF, the provider must send in hard copies.
- Medi-Cal Dental is unable to respond to inquiries submitted through digitized imaging vendors' Websites. Instead, CIFs should be mailed to Medi-Cal Dental.
- Radiographs are not required for dentures on edentulous patients. Submit Justification of Need for Prosthesis forms (DC054) only.

## Medi-Cal Dental Provider Directory/Referral Form

The <u>Medi-Cal Dental Provider Directory</u> is a tool that members can use to search for Medi-Cal dental providers in their area who may be accepting new Medi-Cal patients. The directory is an excellent resource for enrolled Medi-Cal dental providers to build, maintain, or increase their patient base while making available the highest level of dental service for California's Medi-Cal population.

Effective November 12, 2021, any provider participating in Medi-Cal Dental who did not complete the Medi-Cal Dental Directory/Referral Form during their initial enrollment or during the yearly referral update will automatically be listed in the directory. The Medi-Cal Dental Directory/Referral Form is also located within the <u>Provider Application and Validation for Enrollment (PAVE) Provider Portal</u> and is available when completing an enrollment application in PAVE. Please note that Safety Net Clinics (Federally Qualified Health Centers, Rural Health Clinics, and Indian Health Clinics) will only be added to the <u>Dental Clinics Serving Medi-Cal Members</u> static list.

You can access the form by visiting the <u>Provider Forms page</u> on the Medi-Cal Dental website. Return the completed form in one of the following ways:

Medi-Cal Dental offers electronic funds transfer of Medi-Cal Dental payments to a designated checking or savings account. To begin participating in electronic funds transfer, you must complete and sign an Electronic Funds Transfer (EFT) Enrollment Form. Providers can sign up for EFT when they submit their application in the Provider Application and Validation for Enrollment (PAVE) Provider Portal. There is an EFT question in the application package.

Additionally, the paper forms may be requested by calling the Telephone Service Center at (800) 423-0507 or by visiting the Medi-Cal Dental website.

Instructions for completing the Electronic Funds Transfer Enrollment Form are contained on the back of the form. Please be sure to sign and date the form before mailing. To be accepted for processing, the Electronic Funds Transfer Enrollment Form must contain the provider's original signature, in blue or black ink (rubber stamps are not acceptable), and a preprinted, voided check must be attached.

Upon receipt of the Electronic Funds Transfer Enrollment Form, Medi-Cal Dental will ensure the designated bank participates in electronic funds transfer. To verify account information, Medi-Cal Dental will send a "test" deposit to the bank; there will be a "zero" deposit to the account for that payment date. The test cycle usually takes three to four weeks to complete. During the test cycle period, the provider will continue to receive Medi-Cal Dental payment checks through the mail.

Each time Medi-Cal Dental deposits a payment directly to an account, a statement confirming the amount of the deposit will appear on the Explanation of Benefits (EOB).

Contact Medi-Cal Dental to change or discontinue electronic funds transfer of Medi-Cal Dental checks. To change banks or close an account, send Medi-Cal Dental a written authorization to discontinue electronic funds transfer of Medi-Cal Dental checks.
