Billing Providers Must Ensure Their Rendering Providers Are Enrolled

Billing providers MUST ensure that all their rendering providers are enrolled in the Denti-Cal program prior to treating Medi-Cal patients. To receive payment for dental services rendered to Medi-Cal beneficiaries, prospective providers must apply and be approved by Denti-Cal to participate in the Denti-Cal Program. Payments made to billing providers for services performed by their rendering providers who are not enrolled in the Denti-Cal program will be subject to payment recovery. Title 22 Section 51458.1(a)(6) states:

(a) The Department shall recover overpayments to providers including, but not limited to, payments determined to be:

(6) For services prescribed, ordered or rendered by persons who did not meet the standards for participation in the Medi-Cal program at the time the services were prescribed, ordered or rendered.

Rendering providers are required to submit a complete [DHCS 6216 \(rev.2/08\) Medi-Cal Rendering Provider Application/Disclosure Statement/Agreement for Physician/Allied/Dental Providers](#). Instructions about enrolling in the Denti-Cal program are found in the Provider Handbook, "[Section 3 – Enrollment Requirements](#)."
